Container gardens with succulents make beautiful statement pieces in your home or for your garden. Join us for the **Succulent Container Garden Workshop**, hosted by the NC State Extension Master Gardener Volunteers of Surry County. You will learn about these low maintenance plants and make a container garden to take home. Six succulent plants plus soil will be furnished. Just bring a pot of your choice (app. 7" to 8" W by 5" D) and additional plants will be available for \$1.25 each.

Tinne DeCoster Leonard from Beth's Greenhouse in Welcome will be leading the workshop and will share her knowledge about growing and maintaining succulents. The cost of the workshop will be \$20.00. The workshop is open to the public.

Visit our website (<https://surry.ces.ncsu.edu>) under Events and Facebook page for more details.
