

A photograph of several shiitake mushrooms growing on a weathered log in a forest setting. The mushrooms have dark, gilled caps and thick stems. A semi-transparent olive-green banner is overlaid across the middle of the image, containing the title text.

Growing Mushrooms in My Backyard Webinar

Growing mushrooms to eat can be fun, not to mention tasty! Learn tips on growing shiitake and lion's mane mushrooms during our virtual webinar scheduled for Thursday, February 4 from 7:00 – 8:00 pm. We will discuss selecting mushroom species to grow, log selection as substrate, equipment needed, preferred cultivation sites, and managing the logs for productive harvest.

The webinar is FREE but pre-registration is required.
To register go to: <http://go.ncsu.edu/growingmushrooms>

Accommodation requests related to a disability should be made by February 2, 2021 to Joanna Radford at joanna_radford@ncsu.edu or 336-401-8025.
